AGBT 2024 Major Sponsorships

The annual Advances in Genome Biology and Technology (AGBT) conference is considered one of the most sought-after venues to showcase your company and your products to a focused audience of top global leaders, visionaries, and decision-makers. Sponsorship levels consist of one Gold Sponsor, three Silver Sponsors, and (up to) nine Bronze Sponsors.

**Bidding**

*Bidding Window*

Bids are due by 11:59 CDT, Tuesday, August 22, 2023. Bids should be sent to generalmeeting@agbt.org. The bidding sheet is attached for your convenience. You will notice that we have different levels of sponsorship opportunities. Each level increases your exposure to our attendees. You will receive an e-mail confirmation that your bid has been received. If you do not receive this confirmation within 24 hours, please contact sarahw@agbt.org.

*Bidding Process*

We will consider all the gold level bids first. The highest bidder becomes the official Gold Sponsor, and that organization’s name and bid are removed from all remaining tiers. We then move on to Silver #1. The highest bidder on this tier becomes the official Silver #1 Sponsor, and that organization’s name and bid are removed from all remaining tiers. The stair step differences are spelled out below on the bidding instruction sheet. We will repeat this process until all sponsorships are filled. If any bids are of equal amount, the bid received first will be treated as the higher bidder.

*Winning Bids*

Winning bidders will be contacted by August 29, 2023, or sooner. Your bid is considered a legally binding contract. While payment in full is preferred, winning sponsors have the option to split payments (75/25) over the 4th and 1st quarters. The first payment of 75% of the balance is due October 13, 2023. The second payment for the remaining 25% is due January 5, 2024. Your signed bid sheet and winning bid are legally binding contracts for your organization to pay in full no later than January 5th, 2024.

*Bidding Tips*

If you are interested in the highest sponsorship level, consider strong bids across the top. Alternatively, if you envision bronze-level exposure, you would bid lower on top and more robustly in the bronze grouping. It is to your benefit to submit a bid for every tier. This not only increases your chances of winning, but you might end up with even greater exposure and ROI. Some sponsors bid the same number across the board, while others incorporate a stair-step strategy.

*Attendee Limits*

Keeping a healthy balance between industry attendees, non-profit research institutes, and commercial organizations has always been key to AGBT’s success. We have 1000 rooms at the host hotel, The Caribe – Orlando, Florida. Everyone interacting with AGBT attendees must be registered and credentialed through AGBT. Our credentialing process strives to eliminate the ability to share name badges. The sharing of badges hurts not only AGBT but the entire community. If an organization attempts to share a name badge or violates our sponsorship guidelines, that organization will be deemed a company in bad standing.

*Sponsor Workshops*

Conducting an AGBT workshop is a privilege reserved for our Major Sponsors, and the workshops are scheduled during exclusive time slots in the AGBT meeting program. To maintain this exclusivity, sponsors must not conduct any events outside of AGBT that compete with the AGBT meeting program. Please note that the AGBT meeting program includes all plenary and concurrent sessions, posters, sponsor workshops, meals, and social events. Sponsors may host small, informal gatherings of 25 or fewer attendees in their designated suites and rooms during the AGBT program. If you have any questions regarding this policy, please contact Sarah Waller at sarahw@agbt.org.
